Dear Colleagues

The Liverpool Women's Hospital NHS Foundation Trust is currently carrying out consultation on its Draft Single Equality Scheme and Action Plan for 2007-2010. The Scheme sets out our strategy for meeting the statutory general and specific duties for Race, Disability and Gender. Additionally, the Scheme includes our approach to Religion or Belief, Sexual Orientation and Age. The Trust values diversity and gives everyone an equal opportunity to promote an equal chance to work, learn and live free from discrimination.

From a consultation perspective, the Trust will be grateful if you could take time to read the Scheme and send your comments and views by post to this address---
Liverpool Women's Hospital NHS Foundation Trust Freepost Crown St Liverpool L8 7SS.....

The Electronic version of the Scheme is also available on our Internet – www.lwh.gov.uk under “Equality and Diversity” You can email your comments to dorcas.Akeju@lwh.nhs.uk. Your views would be invaluable to us as they would help us to shape our services and Action Plan.

The consultation runs till 17th of September 2007 to 29th of October 2007 and all comments and views received will be considered before we produce our final version of the Scheme.

Thanking you in advance for taking time to consider our Equality Scheme.

Yours Sincerely
